*I hereby declare that I am related to the subject of this enquiry, and am pursuing this enquiry solely for the purposes of genealogical research.

Our Fees/Research Structure (VAT is charged at 23%):

Consultation in person with a Researcher (Appointment Based) €60 (€48.78 ex-VAT):

This service allows you to consult in person with one of our researchers and have some searches carried out. This could save you a considerable amount of time and greatly increase your chances of success. The consultation lasts for **one hour**. Advance booking is advised.

Commissioned Research Time (can be purchased remotely by post, phone or email, or in person):

Contact us to commission a period of research time to suit your needs. Clients may choose from one of the following research blocks:

- **1 Hour, €45 (€36.59 ex-VAT):** This can help to solve a specific question in your research, or help to get you started.
- **3 Hours, €115 (€93.5 ex-VAT):** This is a useful entry level of research, which can provide an outline of your ancestry. It can also help to resolve multiple questions in your ongoing research.
- **6 Hours, €210 (€167.70 ex-VAT):** This is more detailed research, which can be used to examine your ancestry within the context of Irish records.
- **10 Hours, €350 (€269.5 ex-VAT):** This is suitable for those wishing to have in-depth research carried out, including records of their ancestors after the point of emigration from Ireland.

Tailored or multiple blocks of research time can also be ordered. Please contact us for more information.

Have Your Research Produced in Book Format! If your research is of a substantial nature, you may wish to have the finished piece presented as a **Family History Report**. The report can be presented in digital or in hard bound format (A4 sized). Extra copies are also available with this option. Quotations for these extras can be provided at the time.

Your Ancestors:

Note: Even if you have brought material or documents with you about your family history please include the basic details below as this will assist the researcher.

Name	Approximate Date of Birth	Marriage/Emigration	Death (When & Where)

Any other information (Names of Parents, Brothers, Sisters, Children or anything else which may be helpful in researching your ancestors)
