Your Ancestors:

Note: Our research is carried out on a 'per lineage' basis. A lineage is defined as people of a particular family name. When a marriage of your ancestors occurred, it is considered to be the joining of two separate lineages. For this reason, it is important to state what family names/lineages you wish to have researched before you commission research time.

Name	Approximate Date of Birth	Marriage/Emigration	Death (When & Where)
